

**Grip 'N' Check...**  
so simple – your kids  
can use it.

*In 25 years of fishing crappie and following tournament trends, I've measured fish by many methods. None come close to giving me or any other fisherman what we want: more time with our bait in the water! It doesn't get any easier than Grip 'N' Check.*

– Ken Bailey of KB Innovations,  
creator of Grip 'N' Check
